GOLDEN GATE BRIDGE, HIGHWAY AND TRANSPORTATION DISTRICT

RESOLUTION NO. 2010-017

APPROVE ACTIONS RELATIVE TO THE PROCUREMENT OF EQUIPMENT AND SERVICES FOR THE FERRY ELECTRONIC FARE SYSTEM PROJECT

February 26, 2010

- WHEREAS, the Golden Gate Bridge, Highway and Transportation District (District) has identified a \$132 million projected deficit over the next five years; and,
- WHEREAS, the District created a Financial Planning Advisory Committee (Advisory Committee) in May 2009, for the purpose of identifying possible solutions to address said projected deficit; and,
- WHEREAS, the Advisory Committee drafted and recommended approval of FY 09/10 Financial Plan for Achieving Long-Term Financial Stability (Plan) which laid out specific initiatives that, once implemented, will help restore the District to stable financial footing; and,
- **WHEREAS**, the District's Board of Directors approved said *Plan* at its meeting of October 30, 2009; and,
- **WHEREAS**, Phase I of the *Plan* includes Initiative No. 5, which calls for automated ferry revenue collection system;
- WHEREAS, it is critical that the electronic ticket vending machines interact with the regional TransLink® system, the hardware and software for which is provided by Cubic Corporation, dba Cubic Transportation Systems (Cubic) through its Contract with the Metropolitan Transportation Commission (MTC);
- WHEREAS, it is in the District's best interest to procure electronic ticket vending equipment manufactured by Cubic; and,
- WHEREAS, state law permits an exception from the competitive bidding requirement when such a process would be unavailing and not in the public agency's best interests;
- WHEREAS, MTC is willing to enter into a Cooperative Agreement with the District, whereby MTC will issue and administer a Change Order to its Contract with Cubic for the procurement of the District's electronic ticket vending machines, and the District will reimburse MTC for its administration costs in the total amount of \$75,000.00; and,
- WHEREAS, the Consultant, Booz Allen Hamilton, was engaged by the District to provide professional services related to the support for the development, design and implementation of an automated fare collection system at the Ferry Transit Division and additional support services are necessary for this project; and,
