

SUPPLEMENTAL QUESTIONNAIRE

Senior Planner

Class Code: 91642

Applicant Instructions: On a separate sheet, type or write your answers to the following questions regarding your experience and qualifications related to this position. The Supplemental Questionnaire is part of the recruitment process and must be submitted along with your completed District Application for Employment. Applications received without the completed Supplemental Questionnaire will not be considered. You may attach as many sheets as required.

1. Please describe your position-related experience in transportation planning, engineering, or related experience, including independent oversight responsibility of substantial projects.

2. Please describe your position-related experience in preparing Short-Range Transit Service Plans, Long-Range Strategic Transportation Plans, and Transportation Facilities Planning.

3. Please describe your experience in technical report writing and formal presentation of such material.

4. Please describe your proficiency with the following computer systems/software:
 - Spreadsheet (Excel), statistical analysis and data base programs
 - (Arc) GIS
 - MS Word
 - MS Outlook
