Board Agenda Item No. (8)(A)(1)

Ratify the action of the General Manager, to authorize the increased cost of the Landing Rights Agreement License to Land at Port of San Francisco Piers, License No. 16909, between the Golden Gate Bridge, Highway and Transportation District and the City and County of San Francisco operating by and through the San Francisco Port Commission for a five-year term expiring on December 31, 2026, with the understanding that costs of the license is based on ridership figures, and Golden Gate Ferry ridership has exceeded expectations and thus the cost of the license over the five-year term is greater than anticipated at the time the license was executed, as detailed in the staff report.
