COMMENT ON THE LARKSPUR FERRY SERVICE EXPANSION & PARKING STUDY

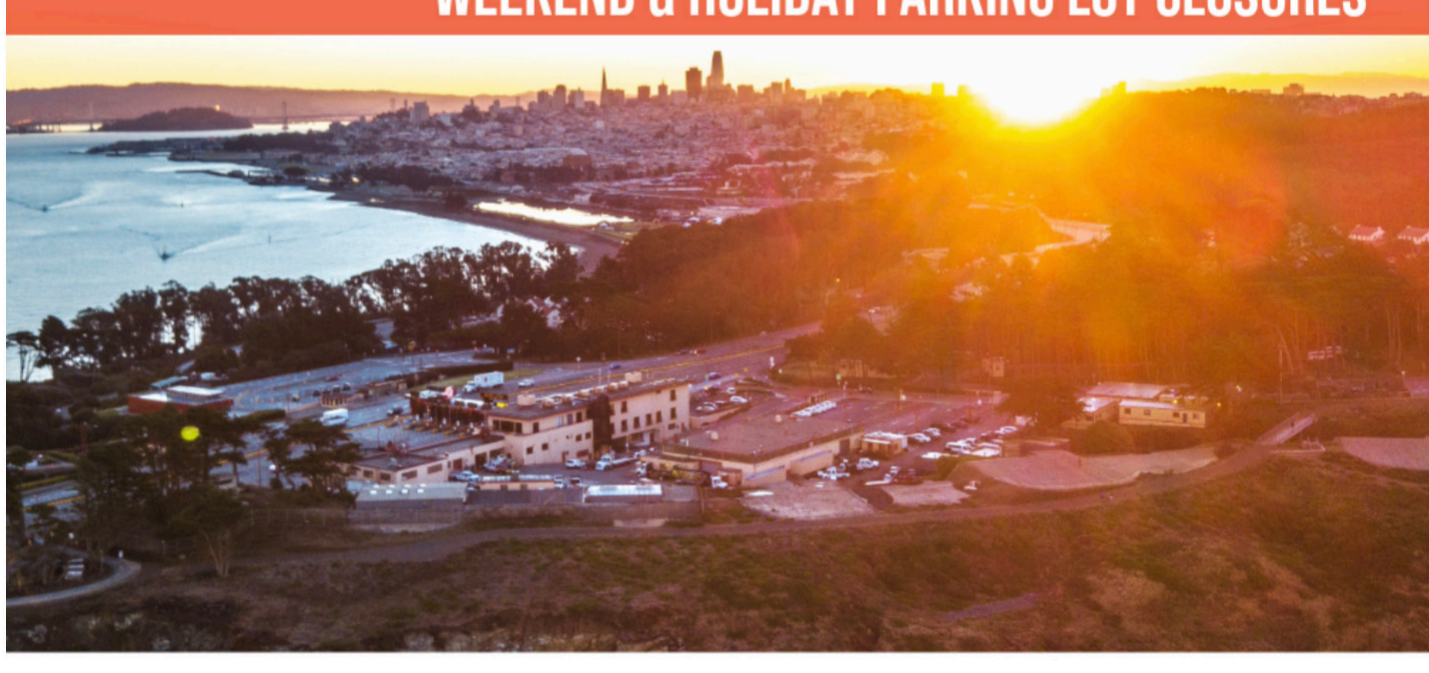

On Tuesday, May 14, 2024, the District hosted the first Community Open House about the Larkspur Ferry Service Expansion and Parking Study. The meeting saw strong turnout from community members and local leaders. District and consultant staff were on hand to guide attendees through the project boards, answer questions, and note public feedback. The District invites comments from those unable to attend the meeting, and the presentation boards are available through the link below. Comments are preferred by June 15.

Golden Gate Bridge

WEEKEND & HOLIDAY PARKING LOT CLOSURES

On weekends and holidays until Sunday, October 6, 2024, the Golden Gate Bridge parking lots will be closed from 11 am to approximately 5 pm on Saturdays, Sundays, and holidays. The closures reduce traffic congestion and create a more pleasant visitor experience during peak hours.

NEW STRATEGIC PLAN

At their May meeting, the District Board of Directors approved a new strategic plan to help guide the District's activities over the coming years. The 2024 Strategic Plan is broader than the previous three strategic financial plans and includes 39 initiatives divided into 5 descriptive categories: Customer Service Improvements, Improve Transit Service Through Regional Coordination, Sustainability and Climate Responsibility, Address Financial Shortfall, and Operational Excellence. Prior to implementation, staff will complete further analysis and each initiative will be brought through the Board's regular process for consideration and possible approval.

The 2024 Strategic Plan was developed through an extensive internal and public outreach process that began in early 2023 and sought input from the public, staff, and District partners. Through this process, the Strategic Plan Advisory Committee received over 400 comments. The 2024 Strategic Plan is a living document that will be monitored, reviewed, and updated annually as part of the Board's regular financial planning cycle.
