## WAYFINDING SIGNS AT DEL NORTE BART STATION AND SANTA ROSA TRANSIT MALL

Through a partnership between Bay Area transit agencies and the Metropolitan Transportation Commission (MTC), new test station maps and signs have been installed at the El Cerrito del Norte BART station and are coming soon to the Santa Rosa Transit Mall. MTC is asking transit riders to engage with the signs during their journeys and share their ideas about how they can be improved. Public feedback will help MTC improve designs to make traveling by transit more intuitive and convenient. Share your feedback by clicking the "learn more" button below.

## NEW WARRIORS UNIFORM IS INSPIRED BY THE GOLDEN GATE BRIDGE

The Golden State Warriors unveiled their new uniform, and it draws inspiration from the Golden Gate Bridge. The uniform's side panels showcase the Bridge's towers, and the typeface mirrors the font used on an historic plaque honoring those who helped build the Bridge. In addition to the uniform, the Warriors have a new court design featuring a wood treatment to show the Golden Gate Bridge surrounded by fog. To see the new uniform, click the "read more" button below.
